# PRESIDENT'S REPORT

**2013** was again a very active and successful season (both on and off the field) for the Sydney Hockey Association. Given the challenging economic times that has had an impact on our sport over the past few years, I am pleased to report that hockey in Sydney continues to move ahead in terms of the strategic direction that was set by the new Board elected in late 2011.

The ongoing pressures being experienced to survive, maintain and grow by all Clubs on an annual basis with its dedicated but diminishing band of volunteers is well understood by the Board. In view of this, a special strategic emphasis on working closely with the Clubs for the targeted recruitment, retention and development of administrators, officials, coaches, volunteers and players must be a high priority during the next 3 years (2014-16).

Hopefully, this will specifically include the centralisation of competitions for men, women, juniors, indoor and masters and involve a full time Executive Officer and Development Officer for Sydney Hockey.

Notwithstanding the present challenges for hockey, the Board of Management and its various Competition Committees were able to build on many of the new initiatives that were successfully introduced in 2012 to ensure that the positive structural changes already delivered can be further developed for the future benefit of all the hockey stakeholders in Sydney.

Some of the 2013 initiatives include –

- Special Working Groups established to review the Competition Structure and By Laws – the results from these reviews will be introduced for 2014 season
- Fair Play across all competitions – a strong message was delivered to all Clubs in late 2011 to reduce Judiciary matters. This resulted in 2012 having the lowest level of suspensions for the past 22 years. 2013 was again marginally better, therefore all members expectations should be that they can participate in hockey in Sydney in a competitive, enjoyable and safe environment.
- Communications - further development of the website for statistical records in the Premier League and Sydney Cup competitions was introduced on a pilot basis. The results were excellent and therefore all Divisions will be undertaken for the 2014 season. The social media communication network participation continues to be very active and again this will be further developed for 2014.
- Representative teams – stylish new playing and after match uniforms were introduced for the 2013 NSW Championships. This was matched by the great results with both teams being crowned 2013 NSW Champions to again back up the 2012 results of joint Champions.
- The Officiating Group continues to grow with additional umpires and technical officials being accredited in 2013. This has allowed umpires to be appointed throughout all Divisions this season.
- Annual Presentation – a new approach (supported by the Clubs) was taken for the annual presentation and awards dinner this year. Overall a very positive result was delivered and this approach was supported by many for continuation in future years.
- SHA Honour Boards have been completed and are on show in the Waratah Room at the Sydney Olympic Hockey Centre. The SHA Executive Office Bearers, Life Members and Hall of Fame members are recorded in well presented Honour Boards – this project was initiated by the Board in 2012.

In conclusion, I would like to take this opportunity to again formally recognise and thank all the many dedicated and committed members of our great Sydney Hockey Community – from Board and Committee Members, Club Administrators, Players, Umpires, Officials and Volunteers who give up their valuable personal time so that many others are able to enjoy their weekly hockey experiences, both on and off the field in Sydney.

I look forward to seeing you all again in 2014 as Sydney Hockey continues to evolve whilst still being recognised as the premier Hockey Association in NSW and Australia.

# FINANCE REPORT

**THE** 2013 financial year saw my initial foray into the control and reporting of financial results for the association. This transition was greatly assisted by the combined support of the Board of Management, Club Officials and staff of the Hockey NSW. I give thanks for their clear communication, co-operation, patience (when required) and sound advice during the course of the year.

The year's result reinforced the association's strong financial position maintaining substantial cash reserves accumulated through the legacy and foresight of past operations.

The association remains strongly positioned for the ongoing conduct and viability of hockey in Sydney, with the fiscal resources to support stakeholders in a committed partnership developing Sydney hockey for 2014 and beyond.

Key Operational Financial Highlights for 2013:

- Adoption of a simplified club fee invoicing methodology,
- Setup of a regular payroll system for payments to umpires and officials,
- Established a fee reward system for provision of "Club Umpires".

The financial operations of the association are to uphold and be governed by the principles of service and transparency to all stakeholders of the organisation. These stakeholders are all those involved in the game of hockey, be they players, club officials or umpires and technical officers.

The overall financial performance of the Sydney Hockey Association for the 2013 season was very much in line with projections and expectations. The total activities of the Association of \$536,588 generated an **operating surplus of \$6,710** for the year ended 30 September 2013, compared to the profit forecast projected of \$5,350.

The details of variances against the financial projections are:

- A favourable variance from income received of \$14,988 comprising –
  - Club Revenues \$ 4,265 (under forecast – 1 less team)
  - Development \$ 4,890 (under forecast)
  - Interest Received \$ 3,951 (under forecast)
  - HNSW Fees \$29,460 (over forecast – contra item)
- A negative net variance in expenses of \$13,628 was recorded which relates to items as follows –
  - Venue / Field Hire \$21,122 (under forecast)
  - Development \$ 8,790 (under forecast)
  - Presentation Night \$ 4,500 (over forecast)
  - Officiating \$ 2,962 (over forecast)
  - HNSW Fees \$29,460 (over forecast – contra item)

The Association currently has a total of **\$150,000** on term deposit with the National Australia Bank. This is in addition to the funds in the operating account of **\$35,461**.

At 30 September 2013, the Association had **net assets of \$231,156** (an increase of \$6,710 from the previous year which represents the operating surplus for 2013). This provides a sound financial position for the ongoing conduct of hockey in Sydney and to appropriately support the Clubs and their players in a committed partnership for the future development of Sydney Hockey for 2014 and beyond.

I commend to you the financial report of the association for the 2013 Financial Year. I trust that it meets our standards of governance and that throughout the year the financial operations of the association achieved or exceeded those standards.

**Notes to the financial statements**  
**for the year ended 30 September 2013**

**Note 1: Statement of Accounting Policies**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act New South Wales. The committee has determined that the association is not a

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

**a) Income Tax**

No provision for income tax has been raised as the entity is exempt from income tax under Section 50-45 of the Income Tax Assessment Act 1997.

**b) Inventories**

Inventories are measured at the lower of cost and net realisable value.

**c) Property, Plant and Equipment (PPE)**

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the

**d) Impairment of Assets**

At each reporting date, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

**e) Employee Benefits**

Provision is made for the association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

**f) Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**g) Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less.

**Sydney Hockey Association Inc.**  
**Notes to the financial statements**  
**for the year ended 30 September 2013**

**1 Statement of Accounting Policies (continued)**

**h) Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

**i) Leases**

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments. Including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

**j) Goods and Services Tax**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

**k) Comparative Figures**

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

We have audited the accompanying financial report of Sydney Hockey Association Inc, which comprises the boards report, the assets and liabilities statement as at 30 September 2013, the income and expenditure statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the board on the annual statements giving true and fair view of the financial position and performance of the association.

#### **The Board Members responsibility for the financial report**

The Board Members of Sydney Hockey Association Inc are responsible for the preparation of the financial report, and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the constitution and the *Associations Incorporation Act NSW 2009* and the needs of the members. The board members responsibility also includes such internal control as board members determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

#### **Auditor's responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian auditing standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance that the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report that presents fairly [gives a true and fair view] in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by board members as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Independence**

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

## **Opinion**

In our opinion, the financial report of Sydney Hockey Association Inc gives a true and fair view of the Sydney Hockey Association Inc financial position as at 30<sup>th</sup> September 2013 and of its financial performance for the year then ended on that date and complies with Australian accounting standards to the extent described in Note 1.

## **Basis of accounting and restriction on distribution**

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the board members financial reporting responsibilities under the constitution and the *Associations Incorporation Act* NSW 2009. As a result, the financial report may not be suitable for another purpose.

## Sydney Mens Open State Championships 8-10 June Newcastle 2013

### SHA Mens 1

Once again, the team's preparation was hampered by injuries and subsequent withdrawals of key players before we played our first game. Once settled, the team consisted of a blend of young players ably guided by older and experienced heads. Under the guidance of the coach, Nathan Gilbert, this proved to be a winning combination during the 2013 campaign. The team scored 16 goals and only conceded 2 goals during the entire championship.

#### Championship Results

Rd 1	Sydney 1	def	Bathurst 1	3-0
Rd 2	Sydney 1	def	Central Coast 1	4-0
Rd 3	Sydney 1	def	Newcastle 1	5-0
Rd 4	Sydney 1	def	Goulburn 1	2-1
Semi	Sydney 1	drew	Grafton 1	1-1 (Progressed to Final due to higher pool placing)
Final	Sydney 1	def	Illawarra 1	1-0 (Extra Time)

One of the main features that became apparent as the Championships progressed, was the sense of camaraderie and unity on and off the field, that seemed to strengthen the teams resolve to perform to the best of their abilities. This resolve was never more apparent than in the final against Illawarra, which resulted in a 1-0 victory during the second period of golden goal sudden death. To all the boys, a job well done! Congratulation must also go to the Sydney 2 as the winners of B Division.

Teams at State Championships do not just happen. I would like to acknowledge the following people. To Nathan Gilbert, team coach, for bringing the players together and helping them to become a winning team. Thanks also to Ann Noblett for all the administration work she does before the Championships. To the SHA Board and Colin Skyba – thank you for organising the new playing and walk out uniforms for the representative teams.

Finally, to the players that gave up their time willing to represent Sydney Hockey, a big thank you. Your efforts on the field and your mateship off the field were the highlight of the tournament.

## REPRESENTATIVE TEAMS 2013

### SHA Mens 2

A terrific championship performance from a team that was not finalised until two days before the weekend. A big thank you for a number of players who were asked late in the piece to join the team. The team ages ranged from mid/late 20's to a few under 18's but was graced with them all having terrific skills and fitness.

Liam Cole, the coach of this team, put together a very comprehensive game plan for the guys to follow and he did not let their focus deviate from this game plan, whether it be in the rounds or in the finals. Their ability to combine their talents, their fitness along with a great deal of patience allowed this team to remain undefeated and take out the Division B title.

This team were undefeated through the rounds and accounted for their opposition as follows:

Rd 1	Sydney 2	def	Illawarra 2	6 – 0
Rd 2	Sydney 2	def	Grafton 2	6 – 0
Rd 3	Sydney 2	def	Southern Tablelands	4 – 1
Rd 4	Sydney 2	def	Tamworth 2	3 – 0

Topping the Pool B undefeated with tally of 12 points and a goal difference of 23 For and 1 Against.

The Monday morning Semi Final saw the team start very slowly and took the opposition (Newcastle 2) too lightly. Within 10 minutes of the first half we were behind 0-2 and being knocked off our feet due to the rough-house tactics that Newcastle had employed to put the boys off their game.

I spoke earlier of the team having a solid game plan and the ability through patience to put it together. Well this really worked and after a tough fought match we were successful thanks to a determined effort by the whole of the team and ran out winners 5-3.

The Final against the Pool A winners, Orange, was on a knife edge through the first half with both teams attacking well. In the end again it was the determination, patience, skill and speed that lead us to win the final. The Final score 4-1.

Congratulations to all of the team and a special mention of the efforts of Liam Cole for his sterling coaching through the weekend and also those of the captain and vice-captain, Scott Laird and Craig Coulson.

A special thank you to Alex's father Danny, for his help in being the teams "Judge", through the rounds.
