PRESIDENTS REPORT 2014

The 2014 season should be regarded as one of the most successful for many years, in terms of outstanding performances by all Clubs throughout all Divisions of the competition and the continued success of the Sydney representative teams. These performances and results in 2014 have clearly cemented Sydney Hockey Association, and its local competitions, as the premier hockey association in NSW and Australia.

It should be noted that this recognition comes as a result of the tremendous contribution that is made from the many passionate and dedicated members of our hockey community. This extends to the volunteers, players and executives throughout all the Clubs, to those who undertake officiating duties and includes the many fine people who give up their own personal time to oversee the Association's annual competitions and representative teams.

I am pleased to report that with the initiatives introduced by the Board throughout Sydney Hockey over the past 3 years, the game of hockey for the 18 clubs in Sydney has now definitely progressed more than at any time during the previous 10 years, making it the envy of many Hockey Associations throughout NSW and the other major capital cities in Australia.

The Board and the various members of its respective Competition Committees (which number more than 30), who genuinely undertake their responsibilities "in the best interest" of all members of Sydney Hockey Association, have achieved enormous positive changes in all aspects for Sydney Hockey during the past 3 years – something that has not been possible under the previous administrations during the past 10 years, generally because they lost touch with the majority of its members and what was in the best interests of Sydney hockey.

Notwithstanding the above, we still live in challenging economic times. It is interesting how resilient people can be when the going is tough, and that will always be the facts in life. This is the case generally throughout Sydney Hockey as playing the game and enjoying everything on and off the field with your mates is the key motivational factor as part of one's interest and efforts to maintain an active and healthy wellbeing.

I now wish to acknowledge and pass on my "special personal thanks" to those wonderful people who have been members of the Board and the various key competition committees over the past 3 years, your outstanding personal commitment and contribution has enabled Sydney Hockey to further develop to the level that sees it as the powerhouse that it is today.

Finally, I trust that Sydney Hockey will continue to evolve in its own right and further build on its present reputation as the premier Hockey Association in NSW and Australia.

Notes to the financial statements
for the year ended 30 September 2014

Note 1: Statement of Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act New South Wales. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

a) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Section 50-45 of the Income Tax Assessment Act 1997.

b) Inventories

Inventories are measured at the lower of cost and net realisable value.

c) Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

d) Impairment of Assets

At each reporting date, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

e) Employee Benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

f) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less.

Sydney Hockey Association Inc.
Notes to the financial statements
for the year ended 30 September 2014

1 Statement of Accounting Policies (continued)

h) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

i) Leases

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments. Including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

j) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

k) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.
