# PRESIDENT'S REPORT 2016

As another year draws to a close, the second of this current administration, it would be easy to sit back and reflect on things gone by, but that is not the prudent thing to do in this case. A new competition format was introduced in 2016 and I have heard little negative and lots positive about the structure of the Premier League Competition.

On the other hand the SHA Board realises the need for a better and fairer structure in the Sydney Leagues which allows for easier entwining of clubs teams (both PL and SL) for home and away days. That is a priority for the next administration and one I am sure will be brought to fruition in 2017.

I am not saying that the 2016 PL competition structure was perfect and I am sure that all will agree that it will needs massaging over the next few years to create a near-perfect structure for years to come which allows for development of players, clubs and expansion of the competition.

It would be remiss of me to not thank the SHA Board Members who give of their time willingly to ensure the smooth running of the competition as a whole. Special thanks must go to Ann Noblett who, over the many years of her involvement as Executive Officer, has worked tirelessly to maintain the open and transparent link between clubs and the SHA administration, none moreso than the past 2 years. She is standing down to concentrate on her profession and I wish her all the best in that regard. The SHA membership owes Ann a huge thanks, she has seen through the rougher times and the not-so-rough times, also worked hand-in-hand with the current SHA Board in ensuring the seamless organising of the day-to-day events that go un-noticed by the majority.

I sincerely thank you Ann; you have been easy to talk to and well informed about many of the issues that have arisen whilst I have been President. You will certainly be missed and I hope to see you at hockey throughout the many years to come.

Pat McCabe is also not seeking re-election. Pat has been on the SHA Board for approximately 30 years (not sure of the exact number) and he has always been well informed and a calming influence on all involved in the decision-making processes over that period of time. Well almost all involved Pat!! I will miss his presence and his knowledge and once again the SHA Community owes him a massive thank you for his tireless efforts in the interests of this sensational sport. I hope your health continues to improve mate!

I must also congratulate all premiership-winning clubs and also praise the performances of the teams that competed throughout the competition to make it an enjoyable year for all. I would also encourage all clubs to commit to increasing numbers and developing hockey in their areas in all age groups but in particular the junior boys ranks.

To Moorebank Liverpool Congratulations on the 2016 Premier League Grand Final win - it was a great game and good to see a tight tussle with Sutherland. Perhaps our HNSW State Coaches could get to some more of our competition games to observe the Premier Hockey Competition in NSW, one which is definitely the equal of any other association competition in Australia.

Congratulations to our Award Winners for 2016: Stuart Fletcher, the winner of the much coveted Brian Booth Medal for 2016 Premier League 1 Best and Fairest. Well done Stuart.

Also to Callum McKay for winning the Kevin Flack Medal for Premier League 2 Best and Fairest.

The SHA Presentation Night was also another fine success and extremely well organised by Ann Noblett and Paul Economides as Master of Ceremonies. I am still totally bewildered as to the non-attendance of some clubs at this gala evening. It really should be held in much higher regard by all our constituents and hopefully those that do participate can spread the word to others so they also attend this great event on our hockey calendar.

To Bruce Cook (a dedicated member of SHA Board who travels extensively to attend board meetings) and his Officiating Committee thank you and well done for a great year. I would implore more players to make themselves available to umpire each week and make Bruce's job much easier, it can be truly rewarding and an enjoyable experience. The SHA Board will also have some input into the recruitment methodology of umpires for 2017.

I look forward to another successful and enjoyable year for the Sydney Hockey Association in 2017 and I wish every member a Merry Christmas and a Happy and prosperous New Year.

**Sydney Hockey Association Inc Notes  
to the financial statements  
for the year ended 30 September 2016**

**Note 1: Statement of Accounting Policies**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act New South Wales. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

**a) Income Tax**

No provision for income tax has been raised as the entity is exempt from income tax under Section 50-45 of the Income Tax Assessment Act 1997.

**b) Inventories**

Inventories are measured at the lower of cost and net realisable value.

**c) Property, Plant and Equipment (PPE)**

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

**d) Impairment of Assets**

At each reporting date, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

**e) Employee Benefits**

Provision is made for the association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

**f) Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**g) Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less.

Sydney Hockey Association  
Inc Notes to the financial  
statements  
for the year ended 30 September 2016 1

**Statement of Accounting Policies (continued)**

**h) Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

**i) Leases**

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments. Including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

**j) Goods and Services Tax**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

**k) Comparative Figures**

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

As a result of the significant change in the nature of the association's objectives and operations the members resolved that a discount in current year fees (2015) of \$100,000 should be made to members to assist with the establishment of new regional hockey associations within the greater Sydney area. The establishment of these regional associations being mandated by Hockey NSW as a part of their associations reform strategy.

The discount to member clubs (2015) has been calculated based upon the average number of teams participating in Sydney Hockey Association competitions over the past 5 years.
